

Paris Olympics Service Information

The 2024 Summer Olympics will be held in Paris from Friday 26th July to Sunday 11th August, followed by the Paralympics from Wednesday 28th August to Sunday 8th September.

Before, during and after the Olympics there will be road closures throughout Paris to accommodate the setup of event locations, competition arenas, and fanzones. These closures may affect our normal bus tour routes, stop availability, and bus frequency.

Our goal is to keep running our routes as close as possible to the main attractions and landmarks, even if they are being used as an event locations, such as the Eiffel Tower or Les Invalides.

The Big Bus Information Center at Stop 1, located at 11 avenue de l'Opéra will remain open daily from 9:30am to 5:30pm.
